The Miami Office is requested to trace the chain of title for the above property through the records of the Dade County Recorder of Deeds commencing with the owner from whom NEIBERT obtained the property to the owner of the property at the present time. From LEE's story, it appears quite possible that this property is still owned by HUMPHREYS, at least sub rosa. Miami should conduct a background investigation on the transferee from LEE. It is expected that after this individual has been identified to the Chicago Office, this Office will request the Miami Office to interview that person.

Concerning the transferee from LEE, it is noted that when ROBERT WEIBERT was interviewed by SA FETZNER of the Miami Office on 10/26/59, he advised that he was then residing at 343 N.E. 26th Street in Miami. However, since he did not arrive in Miami, according to what he told SA FETZNER, until 8/59, it does not appear certain that he is the transferee from LEE.

Reference is made to my letter dated 3/2/61, requesting that HAROLD OLSON be interviewed. It is noted that previous investigation by the Miami Office had determined that HUMPHREYS purchased his property in Key Biscayne from OLSON and his wife. A check of the files of the Chicago Office regarding HUMPHREYS had developed that HUMPHREYS was indicted in 1920 for robbery with These individuals and one robbed a Mandal Brothers barn on Cottage Grove on the south were found guilty, but side of Chicago. and HUMPHREYS was never apprehended, and although the indictment was stricken with leave to reinstate as against HUMPEREYS, the order reinstating the indictment was subsequently vacated. The Miami Office, in checking the records of the Recorder of Deeds of Dade County, should also determine from whom the OLSONS purchased the property in Key Biscayne. It is noted that according to previous investigation by the

 $(\mathbf{b}X \mathbf{7}X \mathbf{c})$

Chicago, and St. Louis has been conducted to locate a marriage license for a marriage between NEIBERT and HUMPHREYS without success. It is noted that Miami checked these records on 3/21/60. It is requested that Miami recheck the Bureau of Vital Statistics in Miami to determine whether NEIBERT and HUMPHREYS have married since 3/21/60.

It is also requested that the Miami Office conduct a neighborhood investigation in the neighborhood of 342 N.E. 26th Street in Miami in order to determine whether HUMPHREYS resided there and for how long a period of time. The purpose of this request is to determine whether HUMPHREYS resided there subsequent to the time that the property was sold to on 5/25/59. It should be kept in mind that JACK HUMPHREYS, aka JACK WRIGHT, spent a considerable amount of time in Miami and might possibly resided there. It

Attempts to inverview WRIGHT in Chicago have determined that WRIGHT has not been in Chicago for the past two or three weeks.

entitled "MURRAY HUMPHREYS - ANTI-RACKETEERING.

ADMINISTRATIVE

It is noted that from time to time in the past a statement has been made that HUMPHREYS should be considered armed and dangerous due to the fact that he was arrested for carrying a concealed weapon in the past. It is noted that this arrest took place during the early 1930's. It is not believed that HUMPHREYS should be considered armed and dangerous at this time. Therefore, no statement to this effect is being included in this report.

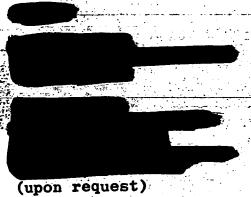

No information from concerning HUMPHREYS (-)(7)(6) was obtained during the period covered by this report until March 13, 1961; on that date HUMPHREYS made a very brief appearance in the presence of the informant. During the course of his brief conversation, he was heard to remark: "I don't want to say anything here."

No information concerning the results of investigation in Miami and by the Washington Field Office has been included in this report for the reason that these offices have been requested to include the results of their investigation in report form with appropriate copies for the Bureau and Chicago.

B. Residence

210 Harbor Drive Key Biscayne, Florida (H(Z) (H)(T)(C): (D)

On March 4 and 5, 1961, HUMPHREYS was observed working in the yard of his residence at 210 Harbor Drive in Key Biscayne by SA

Apartment 1001 4200 North Marine Drive Chicago, Illinois

It is noted that advised that to the best of his knowledge HUMPHREYS was not in the Chicago area during the period covered by this report until March 12 or 13, 1961. This informant stated that he cannot be sure when HUMPHREYS returned to the Chicago area but knows definitely that he was in Chicago on the morning of March 13, 1961.

Conrad Hilton Hotel Chicago, Illinois

During the fall of 1960, advised that MURRAY HUMPHREYS resided during the latter part of October, 1960, under the name of FISHMAN in the Conrad Hilton Hotel in Chicago.

C. Marital Status

(b(r)(c)

Records of the Cleveland County District Court,
Norman, Oklahoma, under Docker Number 3849-D were examined
February 20, 1961, by SA This reflects the divorce
action of the subject and CLEMMA HUMPHREYS. The petition was
dated July 6, 1957, and the divorce was granted July 23, 1957.
Contained in the file under this number was a waiver signed
LLEWELYN HUMPHREYS in which he waived issuance and service of
summons and entered his general appearance and consented that
said cause may be set down for trial and tried without further
notice to him.

Also contained in this waiver was a consent to the alimony of \$60,000.00 and a statement that he disclaimed right to real estate or personal property of the Plaintiff.
This waiver was witnessed July 17, 1957, by

On February 21, 1961, Cleveland County Prosecuting
Attorney

a trip and advised SA

HUMPHREYS was a form waiver used in divorce actions and did not
admit or deny the charges of the Plaintiff. He stated such
a waiver is, in a sense, a default judgment and has no bearing
on the truth of the action. Laws establishing incompatibility
in Oklahoma are very broad and it was his opinion there would be
no grounds for prosecution of HUMPHREYS because of misrepresentation in the divorce action. He declined any prosecution of
HUMPHREYS on this ground.

D. Relatives

Date _Fabruary 28. 1961

زاير

Mrs. KITPY GRACE advised she sees her brother MURRAY HUMPHREY on infrequent occasions but does not know where he lived. She professed not to know af MURRAY lived in Chicago or not.

Mrs. GRACE said she did not recall the date of MURRAY's birth but did say that he and all the HUMPHREY children were born in Chicago. She said that the family lived on the South Side of Chicago at the time of EURRAY's birth. She said that she had been baptized in the Baptist Church at 23rd and Michigan, and it was possible that MURRAY had also been baptized at this same church. She added that this church is no longer in existance.

Mrs. GRACE was courteous and pleasant but advised that if agents wanted information about her brother, they should ask him.

VI. FAILURE OF HUMPHREYS TO FILE ILLINOIS STATE PERSONAL PROPERTY TAX DURING 1958 AND 1959

March 1, 1961

(1)(1)(0)

Cook County Treasurer, Cook County, Illinois, advised that from a review of his records, MURRAY HUMPHREYS, also known as LOUIS HART, has not filed a Personal Property Tax Return for the years 1958 or 1959, from the address of 4200 Marine Drive, Chicago, Illinois. Stated that HUMPHREYS could not have filed a tax return from Post Office Box 6537 because the tax assessors would have no means of assessing a value on the property. Further advised that it would not be likely that HUMPHREYS paid his personal property tax prior to 1958 because if he had, the records of 1958 and 1959, would indicate an assessment of his property which it does not indicate.

ADVISED APPROXIMATELY A YEAR AGO THAT HUMPHREYS WAS HESITANT TO LEAV THE U. S. BECAUSE HE COULD NOT PROVE THAT HE WAS BORN IN THIS COUNTRY THE INVESTIGATION IN THIS REGARD DETERMINED THAT HUMPHREYS. Director, FBI

MURRAY L. HUMPHREYS ANTI-RACKETEERING

A highly confidential source has reported that Chicago hoodlums have expressed great concern because of the investigations which the FBI is making of their activities and operations.

Chicago hoodlum Murray Humphreys has discussed with his associates the fact that the FBI-has contacted numerous persons, including his former wife, for information concerning him. He has also made recent complaints to other hoodlums concerning persistent FBI surveillances of him and other hoodlum associates. Humphreys has revealed that he and other hoodlums take the most elaborate precautions to prevent themselves from being placed under surveillance. These involve the frequent changing of automobiles, the use of various types of public conveyances, including taxicabs, the devious and circuitous routes followed to reach a particular point and the confrontation of individuals whom they believe to be following them.

Humphreys is reported to have complained that the FBI is having the police make arrests of hoodlum figures. This appears to be a reference to a recent situation when information furnished to

Our source has furnished information indicating that many of the individuals interviewed by our Agents are reporting this fact to the hoodlums we have under investigation, including Humphreys. Recently Humphreys referred to an interview by our Agents with

made no admissions that hoodiums had any interest any corporations controlled by him. See memo Evans to Parsons 14/17/61

BETWEEN HUMPHREYS, FRANK FERRARO AND OTHER ASSOCIATES OF HUMPHREYS. DURING THE COURSE OF THE CONVERSATION HUMPHREYS ADVISED FERRARO CONTACTED HIM ON THE MORNING OF APRIL THIRTEEN AND REPORTED TO HIM, APPARENTLY IN FULL DETAILS OF THE CONTACTS OF HIM BY THE FBI. IT IS NOTED THAT BODYGUARD AND CHAUFFEUR OF MURRAY HUMPHREYS WHO WAS INSTALLED IN LOCAL FIVE NINE THREE OF THE HOTEL AND RESTAURANT WORKERS UNION IN CHICAGO AFTER (REPORTED A CONVERSATION IN THE FALL OF NINETEEN FIFTYNINE BETWEEN HUMPHREYS AND AN OFFICIAL OF THIS UNION, DURING WHICH HUMPHREYS REQUESTED DURING THE CONFERENCE BETWEEN HUMPHREYS AND TO SO PLACE HIS ASSOCIATES AS REPORTED BY YESTERDAY HUMPHREYS EXPRESSED GREAT CONCERN ON SEVERAL OCCASIONS FOR THE INVESTIGATIONS OF HIM BY THE FBI. AT ONE POINT HE MADE THE FOLLOWING COMMENT IN CONNECTION WITH THE FBI INVESTIGATION... QUOTE I DON/T KNOW WHO ELSE THEY CAN TALK TO. SOME OF THE PEOPLE THEY WENT TO I COULDN/T GIVE FOR REFERENCES BECAUSE I COULDN/T THINK OF ALL OF THEM UNQUOTE. IN ADDITION TO THE FACT THAT HAD REPORTED DETAILS OF HIS INTERVIEW WITH THE FBI TO HIM, HUMPHREYS DISCUSSED WITH HIS ASSOCIATES THE FACT THAT THE FBI HAD CONTACTED

WIFE IN NORMAN, OKLAHOMA. HE ALSO DISCUSSED THE FACT THAT HE WAS

FREQUENTLY UNDER INVESTIGATION BY THE FBI. HUMPHREYS APPEARED TO BE MOST DISGUSTED WITH HIS SITUATION AND WITH THE AMOUNT OF INFORMATION WHICH THE FBI WAS LEARNING CONCERNING HIS ACTIVITIES. HE REFERRED TO THE AGENT ASSIGNED THE INVESTIGATION OF HIM IN THE CHICAGO OFFICE ON SIX OR SEVEN OCCASIONS BY NAME SA AND MADE SEVERAL OBSCENE REMARKS CONCERNING HIM. HE COMMENTED QUOTE THESE GUYS ARE IN MY HAIR EVERY DAY UNQUOTE AND THAT MANY OF HIS ASSOCIATES IN LEGITIMATE ACTIVITIES REFUSE TO CONTACT HIM ANY FURTHER FOR FEAR THAT THEY WILL BE CONTACTED BY THE FBI CONCERNING HUMPHREYS. HUMPHREYS COMMENTED QUOTE I/M GETTING PAREN OBSCENE END PAREN TIRED OF THIS HUMPHREYS STATED QUOTE DONT LET THEM GET YOU DOWN ... REALLY GOT THE SYSTEM, I THINK I/LL JOIN THE PAREN OBSCENE END PAREN COMMIES END QUOTE. HE ALSO ADVISED THAT HE WAS ATTEMPTING TO PRECLUDE PHYSICAL SURVEILLANCES OF HIM BY THE FBI BY MANY VARIOUS AND DEVIOUS METHODS, INCLUDING ACCOSTING INDIVIDUALS WHOM HE BELIEVES MIGHT POSSIBLY BE FBI AGENTS. HUMPHREYS IS UNDOUBTEDLY QUOTE FIGHTING SHADOWS END QUOTE HERE, IN THAT HE HAS NOT ACCOSTED ANY SPECIAL AGENTS. HE ALSO INDICATED THAT HE WAS OF THE BELIEF THAT THE FBI WAS FURNISHING INFORMATION TO OF THE POLICE DEPARTMENT WHOSE RESPONSIBILITY IT IS TO INVESTIGATE MAJOR HOODLUMS IN CHICAGO WITH THE RESULT THAT THE CHICAGO POLICE DEPARTMENT INVESTIGATIONS ARE IMPROVED. HUMPHREYS GAVE NUMEROUS INSTRUCTIONS

PAGE FOUR

TO HIS ASSOCIATES AND TO HIS BODYGUARD AND CHAUFFEUR, HY GODFREY IN PARTICULAR, TO MAKE EVERY EFFORT TO TAKE FULL PRECAUTIONS TO AVOID THE POSSIBILITY OF SURVEILLANCES ON THE PART OF THE FBI. HE ALSO INSTRUCTED GODFREY CONCERNING THE POSSIBILITY OF GODFREY SECRETING A FIREARM IN GODFREY/S CAR AND APPEARED TO BE CONCERNED THAT ALTHOUGH GODFREY MADE USE OF SUCH A DEVICE IN A FORMER CAR HE HAD. HE MADE NO PROVISION FOR A GUN IN HIS PRESENT AUTOMOBILE. HUMPHREYS ALSO INDICATED THAT HE INTENDED TO MEET WITH HIS ASSOCIATES LATER IN THE DAY YESTERDAY IN A HOTEL LOCATED ON THE WEST SIDE OF CHICAGO. THE CHICAGO OFFICE MADE DISCREET ATTEMPTS TO DETERMINE THE LOCATION OF THIS MEETING PLACE, BUT DUE TO THE FACT THAT HUMPHREYS INDICATED TO HIS ASSOCIATES THAT IF HE SHOULD SEE THE FBI AT THAT LOCATION HE WOULD THEN KNOW THAT HIS CONVERSATIONS WERE BEING PICKED UP. THESE ATTEMPTS WERE MOST DISCREET AND WERE UNSUCCESSFUL. HUMPHREYS ALSO INDICATED YESTERDAY THAT HE INTENDED TO GO LATER TO THE OFFICES OF IS A PROMINENT CHICAGO ATTORNEY WITH PERMANENT RESIDENCES IN NEW YORK. CHICAGO AND LOS ANGELES AND IT IS WHO HAS BEEN HANDLING DETAILS OF HUMPHREYS/ ATTEMPTS TO MAKE INVESTMENTS IN LAS VEGAS.

entitled "MURRAY HUMPHREYS, ANTI-RACKETEERING"

ADMINISTRATIVE

The following information is the only information pertaining to HUMPHRKYS which was obtained from during the period covered by this report. It is not believed that any of this information is pertinent so that it should be set out in a report suitable for dissemination outside the Bureau, however, it is believed that it contains information concerning the present thinking of MURRAY HUMPHREYS regarding the FBI investigation of him. For this reason and for the additional overriding reason of protection of this delicate and sensitive source it is not being set out in the body of this report.

MURRAY HUMPHREYS arrived and joined the conference which was in progress between FERRARO, ALDERISIO and However, (F)(7)(c) apparently left the conference inasmuch as he was not (F)(7)(c) heard thereafter.

HUMPHREYS:

(F)(2)

FERRARO:

When you go to Florida, the guy gets right on you. When you arrive in Florida, the guy gets right on you.

HUMPHREYS:

And when you're on the plane, they take your picture in the plane. The only trouble is, I don't know who they are. I've done everything iget out in wrong things, I get out in different places, I do this and do that, I stop guys, I do everything. They aren't on me all the time. But I'll tell you, I'm getting (obscene) tired of this too. I'd say, listen, you (obscene) can't you find anything else to do? Are we sinning? I wasn't gonna come up here. I was going to the Croyden drugstore. The say is the only guy that doesn't give a damn.

(6)(7)(1)

which he believes the FBI has recently placed on him. His reference to the Croyden drug store is a reference to the drug store at the Croyden Hotel, approximately a block from where he was then meeting, which has been alleged is owned by FERRARO and HUMPHREYS reference to is apparently a reference to has been investigated under the Top Hoodlum Program by the Los Angeles Office. He is a prominent Chicago attorney with offices in Chicago and

HUMPHREYS:

And this room here, they got everything we said here, too. Did go over this

room?

(-)(7)(c)

FERRARO:

Yeah.

HUMPHREYS:

Did he find anything?

FERRARO:

HUMPHREYS reference to the here is to a person who is unknown to the Chicago Office but who is apparently the individual who conducted a search of the room at Celano's on 2/13/61 in an effort to determine whether an electronic surveillance had been placed there.

then advised that the following conversation ensued between HUMPHREYS and FERRARO:

HIMDHD EVS.

and then

they're having the coppers pick us up. And then they're having new guys look as us and letting us go. Do you understand?

FERRARO:

That's what I understand. They got twenty

five new guys now. They want you; HY

HUMPHREYS:

HY too?

FERRARO:

Oh year.

HUMPHREYS:

How about SLIM? Well.....

- C -COVER PAGE

(1×7×C)

It would appear that HUMPHREYS reference here to

which in turn is charged with the responsibility for investigation of Chicago's major hoodlums. It would appear that possibly what HUMPHREYS reference to when he says "they're having the coppers pick us up" is that the Chicago Office of the FBI last week furnished information to the Bureau of Inspectional Services leading to the arrest of FERRARO on a traffic charge.

At this point in the conversation most of it was drowned out by the broadcast of the Chicago Cub - Cincinnati Reds baseball game. The hoodlums listened to this game throughout their conversation and from time to time their conversation was not audible for this reason.

During the conversation HUMPHREYS and FERRARO apparently were going over the plans for something for a building of some sort inasmuch as sounds of what was apparently a large piece of paper could be heard being shuffled and folded. During this portion of the conversation FERRARO made the following comment:

"Is there a branch there, in the building, in Florida", to which no response on the part of HUMPHREYS was inaudible. It is noted that information was recently developed by the Washington Field Office indicating that there is a possibility that HUMPHREYS is interested in purchasing a hotel in the Miami area with the hope that gambling will be legalized in Florida and with a view towards converting a large ball room in the hotel into a gambling casino.

HUMPHREYS and FERRARO then initiated a conversation concerning something which HUMPHREYS had recently purchased and which FERRARO had obtained approximately a year ago and this conversation lead into the following remarks:

HUMPHREYS:

No, thats Danish. Denmark. I would call her but I don't know how to ask her how the name is. In Spanish it meant all right. I talked to her on the telephone. And they're down there too.

(t)(r)(d)

FERRARO:

(1)(7)(6)

HUMPHREYS:

I called her one day last week. She said \ I got an appointment with the FBI. I said I thought you didn't make appointments. Well they said I don't have nothing to do with him. But they insisted and I said well, you can come out but I don't know what you're gonna ask me. I don't know nothin' about him.

It would appear that HUMPHREYS conversation at this point concerns very recent attempts on the part of the Oklahoma City Office to interview MARY CLEMMA BRENDLE, the former wife of HUMPHREYS, in Norman, Oklahoma. HUMPHREYS then made a reference to which has been used by some hoodlums from time to time as a meeting place. To this reference by HUMPHREYS to FERRARO made the following remark:

FERRARO:

Yeah, they were there. They asked him if he knew me. No. I said what the (obscene) do you answer questions for! Why don't you just walk away from them.

HUMPHREYS then made reference to "the apparently and to "the apparently apparently attorney, as follows:

HUMPHREYS:

told me this morning. They got ahold and said we know you're workin' up there, but we're not interested in that. He said we just want to ask you some questions call him, see, and say he's So he had So they called not comin' in. He said why don't you bring him in so we can talk to both of you. says he's not coming in. He says OK, we just wanted to put it on the record. This one son of a that dirty (obscene (obscene), this he always puts his own pitch in.

FERRARO:

He went to the oil company. Hughes Oil?
And told them I was driving around in a

HUMPHREYS:

You know if they thought you had a hot car, you'd be in the can.

- E -COVER PAGE

FERRARO:

Why certainly!

HUMPHREYS:

He said if I get that much, on that he's going to jail.

I can't understand it. He should have been here. Hey, listen, I think we better go for ourselves.

in the moon. You should see him get around, how he moves! Then he showed him some pictures Taken while I was sitting down in the plane. They got a hell of a system tho. I can't get people to answer the phone or anything. All afraid to talk to me!

HUMPHREYS reference to the situation involving (H)(7)(C) in a reference to a series of interviews which have been conducted by this office during the past 3 weeks or so with - It is noted that has formerly furnished substantial information indicating was prior to the fall of 1959 a bodyguard that (also reported a and chauffeur for HUMPHREYS. conversation between HUMPHREYS and wherein placed in it was most evident that HUMPHREYS had Local 593 of the Hotel and Restaurant Workers Union "in order that we can have somebody in there in case something happens to you", meaning HUMPHREYS reference that was told "we know your working up there, but we aren't interested in that" refers to the fact that was informed, based on Bureau instructions, that the FBI was not interested in his legitimate union activities. The were conducted by interviews with of this office and it is obvious I at this point in their that their reference to ' conversation is a reference to SA

reference to the fact that "he went (b)(2) to the oil company, Hughes Oil, and told them I was driving (b)(7)(b) around in a hot car" refers to the fact that contact was very recently made at the Hughes Oil Company concerning the connections of FERRARO with that company. It is noted that the has furnished information indicating that FERRARO has a financial interest in the Hughes Oil Company and other information has been independently developed strengthening this suspicion.

CG 92-348 (り)(カ)(ム)

However, the investigation at the Hughes Oil Company was not conducted by SA but rather by SAs

HUMPHREYS then initiated a conversation concerning the manner in which he is able to preclude the possibility of surveillances:

HUMPHREYS:

Here's what I do. I walk. Then I get a cab. Then I get out. Then I turn around and go back. And come around again. But they weren't with me this morning, I'm quite sure.

HUMPHREYS then made the following remarks concerning associates of his who have been interviewed recently by the FBI:

HUMPHREYS:

first time he talked to (obscened) him all up. From when he first opened his mouth. He said beads of sweat were rollin' off him. I said, well, didn't I tell you not to talk to him? Boy, I'm tellin' you! I don't know who else they can talk to. Some of the people they went to I couldn't give for references 'cause I couldn't think of all of them!

It should be noted that is a very closs associate of HUMPHREYS who owns the in Chicago. He has been interviewed on three occasions by this office during recent weeks. The reference to how became fouled up from when he "first opened his mouth" may refer to the fact that at the outset of the first interview with him he admitted that he had just returned from a visit with HUMPHREYS in the Miami area. He apparently made this admission due to a mistaken belief on his part that the FBI was aware that he had just visited HUMPHREYS there.

Immediately following the above reference by HUMPHREYS to many of his associates who have been recently contacted by the FBI, PERRARO made the following comment:

FERRARO:

They went to all mine too!

HUMPHREYS:

Are they still going to yours?

FERRARO:

I haven't heard of any lately.

COVER PAGE

HUMPHREYS:

FERRARO:

He's probably bumper to bumper right now!

HUMPHREYS:

And another thing. You wait until after our taxes are all in. Brother! They'll have our tax returns. They're just waiting for them. They'll sure get surprised when I put mine in. Because (I haven't got nothin' on it?)

FERRARO obviously refers here to the fact that the FBI has been interviewing "all" of his associates. HUMPHREYS reference that "they don't know how I'm getting out. That's a laugh. See, he says where do you think he's living? He says I can't find out where he goes!" is apparently a reference to the theory of this office in conducting interviews with HUMPHREYS associates that practically all such interviews will be reported back to HUMPHREYS and, therefore, attempts are made to leave a definite impression with these associates that the FBI is unaware of HUMPHREYS residences either in Chicago or elsewhere. HUMPHREYS is apparently of the opinion that the FBI knows more then they let on to his associates and FERRARO's comment "he's probably bumper to bumper right now" is a further indication of this.

At this point HY GOBEREY, the chauffeur and bodyguard of HUMPHREYS and other Chicago top hoodlums arrived and discussed with HUMPHREYS and FERRARO the fact that he believed he was under surveillance by the Chicago Police Department earlier in the day.

HUMPHREYS:

Who was with you, the police?

GODFREY:

Scotland Yard.

HUMPHREYS:

Just following you?

- H -COVER PAGE

FERRARO:

Where did you pick them up at?

GODFREY:

I dropped you off and went around to Erie Street I comin' south on Michigan, there he is. He goes by me to get a good look at me and I turned right on Ohio. But he couldn't back in and turn around. So I go ahead, down Ohio and pull into the parking lot. And I start stalling. And there's a coming down Rush St. In front of Mike Fish's. And you, I was gonna go in there. And I seen him comin'.

FERRARO:

Was he alone?

(H)(7)(c)

GODFREY:

He was all alone. So I kept walkin. I went all the way down to the Eastgate. I go in there and make a phone call. I come out and walk over to Wesley Hospital and go over to see And there I take a cab and go over and get my car and go out to the Stadium. From the Stadium I go over to 22nd St. I swtich cars. I go to the Palmolive Building. I'm pulling in the drive there, the parking lot, where they park cars by the Palmolive Building. Then I take a cab and come here.

UNKNOWN:

GODFREY:

No. I had that in mind. Another thing, they got guys ridin' up and down Michigan Blvd. He goes to like the Drake Hotel and then he drives up and down Michigan Blvd. The same guys. Tryin' to pinch me for somethin'.

FERRARO:

Pinch you?

CODFREY:

I'll tell you something. At no time did I see them out at the Stadium or out on 22nd St. The only time was around here.

HUMPHREYS:

They were detailin' your hotel, weren't they?

FERRARO:

Huh?

- I -COVER PAGE

HUMPHREYS: There was a bunch of them detailin' around

PERRARO: Yeah, they were waitin' for you!

HUMPHREYS: For me

FERRARO: Yeah!

HUMPHREYS: For you!

FERRARO: When?

GODFREY: When you were gone.

HUMPHREYS: When, today? I was there today, takin!

breakfast there.

GODFREY: Well, they start around 11, 12 o'clock.

HUMPHREYS: I know that.

GODFREY: Listen, I was over to see this

morning. Now is friendly with one of the guys. Now told me that they got a bunch of new guys there, they want to grab you and myself and take pictures and show them But they don't want to pick you up unless they

get something on you.

HUMPHREYS: What are they gonna get on me? Poor old guy like me? Jesus, ain't I a poor old guy. I'm not gonna ride with you, HY, (obscene) you! You're not gonna get me pinched. I take a

cab. Cab driver does something wrong, I'll

get out and leave him.

The above comments by GODFREY give an indication of the lengths which the Chicago top hoodlums go to in order to preclude the possibility of physical surveillance. HUMPHREYS and FERRARO's conversation concerning surveillances of the Chicago Police Department around "your hotel" refers, apparently to the St. Clair Hotel and the fact that the Chicago Police Department may have been physically surveilling there. GODFREY reference to the former bookmaker on the south side of Chicago by that name, (r)(7)(c)

who is known to be acquainted with at least one member of the Bureau of Inspectional Services of the Chicago Police Department At this point in the conference, HUMPHREYS, ALDERISIO and FERRARO made plans to leave their present location in order to meet in another location on the west side of the city of Chicago. They made the following plans in order to insure that they were not surveilled to this meeting place:

- ALDERISIO:

So, uh, do you want to go with me or

don't you? Doesn't make no difference to

me.

FERRARO:

Where is your car now?

ALDERISIO:

Ohio and Clark? in the parking lot.

where I park. Black sedan.

HUMPHREYS:

I'll follow you down.

ALDERISIO:

6911 (?)

HUMPHREYS:

I'll meet you. I can't get over that Congress

St. Highway.

FERRARO:

Meet by the school, the old school?

HUMPHREYS:

You're hot.

GODFREY:

That's what I want to know. I can go get

another car.

HUMPHREYS:

When you go, you go underneath and up there,

don't you? Under Wacker Drive, all the way down. Where is there another rise there?

ODFREY

ALDERISIO:

Sure.

You had one in the other car, why not this

GODFREY:

Well, kept puttin' it off.

to

It is noted that the Congress Expressway in Chicago is the most expeditious way to go from Chicago's loop to the west side and Wacker Drive, referred to by HUMPHREYS, lower level, is the most expeditious way to travel through the loop. FERRARO's reference to "I don't have mine with me" is possibly a reference to a firearm and ALDERISIO's reference to "I (1)(7) getta plant in my car too", apparently is a reference to the fact that ALDERISIO has a gun hidden in his car.

As a matter of interest it should be noted at this point that ALDERISIO is a former Milwaukee and Chicago top hoodlum and that he has quite a reputation in the underworld in Chicago for resorting to physical violence.

From the above comments it would

appear that GODFREY had a gun secreted in a former car which he used but that as yet he has not made such arrangements in the car that he is using at the present time. HUMPHREYS and FERRARO then had a brief discussion concerning unsuccessful efforts which they had made to get in touch with each other early in the morning of 4/13/61, and then in this connection HUMPHREYS made the following comment:

HUMPHREYS:

I called here tryin' to get you. I had breakfast with and when I walked in, they started to laugh. And the old man was there. The old man didn't want to come over. So they started to laugh. They questioned the old man for two hours. The old man stood up too.

with and is obviously a reference to the fact that he had breakfast that, as he indicated above he had breakfast that morning in the St. Clair Hotel.

both vigorously interviewed this week in the connection with the investigation on HUMPHREYS and although they admitted knowledge of HUMPHREYS, and FERRARO they were obviously very evasive and not particularly cooperative. HUMPHREYS reference to "the old man" and the fact that "they questioned the old man for 2 hours" is a reference, apparently, to

These are 3 of the very best hotels in Chicago. HUMPHREYS reference that "the old man stood up too" is apparently a reference to the fact that made no admissions whatsoever that any hoodlums had any interest in any corporations controlled by him. It is noted that information has been received from

humphreys then advised that after he met with the hoodlums later in the day as described above he intended to "go over to composition" apparently a reference to

In this connection he made the following comment: "Now, there are a million ways out of that building. I go over there and I see all the old timers, the old lawyers. They all say hiva H, hiya, hiya". In this connection it is noted that is located in an office where hundreds of lawyers also have office space. HUMPHREYS, ALDERISIO, FERRARO and GODFREY then had the following conversation concerning the manner in which they intended to get to the meeting they were going to and the location of this meeting:

HUMPHREYS:

I'll meet them out at the hotel.

ALDERISIO:

And don't pay no attention to what I say to you, cause I just do that to make conversation.

HUMPHREYS:

Oh, I know that.

ALDERISIO:

I might call you Father.....

HUMPHREYS:

Now listen, I'm gonna meet you out there.
You know. Now walk thru, you know there's
a sells shoes? Go right
across the street. Go in the door and walk
thru. Then go up to the second floor. They
got some stores and a barber shop up there.

ALDERISIO:

Meet by the barber shop.

HUMPHREYS:

- N -COVER PAGE

GODFREY:

They call down there, then they catch you

down there.

HUMPHREYS:

So what, I didn't do nothing wrong. Don't

worry about it.

ALDERISIO:

They're on me all the time. They're with

me all the time.

(H)(7)(c)

HUMPHREYS:

Liable to walk through the building..... this said, you should see him move.

It is apparent that the meeting place was in a hotel and that they intended to meet on the second floor of the hotel at a barber shop and then possibly go elsewhere from the barber shop. Based on the above information the Chicago Office made spot checks at known meeting places of the hoodlums on the west side of the city of Chicago, but due to the comments made by HUMPHREYS that "if they're there we'll know where they're picking us up", great effort was made so that the hoodlums were not aware of the surveillance with the result that no information was obtained concerning the location of their meeting. However, efforts will be made in the future to determine the location of this meeting based on the above It is also obvious from this same conversation that the hoodlums continue to be suspicious about the possibility of a misur in the room in which they are meeting and that they are not entirely satisfied that they are clean there, however, it seems most apparent that if they had any real concrete suspicion that a misur had been installed in that room they would be much more discreet then they were on 4/13/61, and would stay clear of the place. FERRARO then indicated to HUMPHREYS that "I got my passport already" a fact which is known to the Chicago Office, and HUMPHREYS then made the following comment in response to FERRARO's remark:

HUMPHREYS:

You did? I'm gonna have to get me one.
If all you guys are gonna be over there, I
might as well be there too. I'm not gonna
be here all alone.

You go one way, and I'll go another way, and we'll bump into each other. Don't let them get you down.they really got the system, I think I'll join the (obscene) Commies.

What is it, 68 countries that have that Interpol?

I don't know....

FERRARO and HUMPHREYS then had a brief conversation

as follows: ՝

-FERRARO:

They're on the loan company, too.

HUMPHREYS:

What company?

FERRARO:

FIFI's. The loan company.

HUMPHREYS:

Don't mention it. Maybe they don't know

about it.

FERRARO:

They got his picture Well, it's in the paper.

and everything.

HUMPHREYS:

Oh.

PIERCE:

The Tribune has got the Police Department giving them all the information, they got

the press room.....personal property taxes.

HUMPHREYS:

Don't get the press on you (obscene). The

power of the press.

The above conversation again referred to the articles currently being written by SANDY SMITH in the "Chicago Tribune" concerning the fact that FIFI BUCCIERI, identified above, with his brother FRANK is financially interested in the Frontier Loan Company and one or 2 other loan companies in Chicago and that his partners in at least one of these ventures are CARL SCHRODER, Postmaster of the city of Chicago, ED MOORE, highly influential Republican politician and Captain BCHEPING, a retired Chicago police captain. HUMPHREYS, GODFREY and FERRARO then discussed the fact that TONY ACCARDO's daughter was getting married in the near future, a fact previously known to the Chicago Office and to the impending marriage of " skid", apparently a HUMPHREYS instructed GODFREY to reference to

COVERPAGE

(H)(7)(c)

"get the envelope" indicating that HUMPHREYS intended to make a gift to child. GODFREY and ALDERISIO then informed HUMPHREYS that child was getting married in the near future also. Controls gambling in the Bridgeport area of Chicago under the jurisdiction of FERRARO and HUMPHREYS then engaged in the following conversation

FERRARO:

I try to figure my expenditures.

HUMPHREYS:

They aren't gonna drive me out of town, to

hell with them.

FERRARO:

The only way they're gonna drive me out is.

in a casket.

HUMPHREYS:

They tried it many years ago. No more.

It would seem that the above conversation referred to the investigation of FERRARO and HUMPHREYS by the FBI. The above conference then ended with additional preparations for the manner in which any possible surveillances were to be avoided, for the subsequent conference which the hoodlums intended to conduct in the hotel described above on the west side of the city of Chicago.

The Chicago Office has developed

It should be noted that HUMPHREYS spends relatively little time in Chicago and itsis therefore, important to the Chicago Office for the purposes of this investigation that information is obtained concerning HUMPHREYS whereabouts at all times. The Miami Office has also developed

Subject was observed working in the yard of his (-)(7)(c)
Key Biscayne residence by SA on March 4 and 5, 1961.

A feature article in the "Miami Herald" of March 14, 1961, captioned "Elite of Underworld Spotted in Fight Crowd", speculated that hoodlums believed in the Miami area who might have been in attendance at the PATTERSON - JOHANSSON Heavyweight Title Fight at Miami Beach, Florida, on March 13, 1961, included:

SAM GIANCANA
JOHN FORMOSA
MURRAY HUMPHREYS
LESLIE KRUSE
MARSHALL CAIFANO
ROCCO FISCHETTI

(そくろ)

With reference to the subject, the article stated "The fellow with the look of a country boy who is slightly uncomfortable in store bought clothes might have been HUMPHREYS, known as The Camel. Somewhat flashy in his dress, he is not a bad looking man".

None of the foregoing were identified as being in attendance at the fight by SAS and and and other law enforcement officers who covered the fight, including representatives of the Intelligence Units of the Metropolitan Department of Public Safety and Miami Police Department;

Miami Beach, Florida;

Florida Division of State Beverage Department; and Acting Director, Miami Crime

Commission, all of whom are familiar with the identities and photographs of the aforementioned individuals.

BETTY JEAN NEIBERT and an individual believed to be the subject were seen driving in the vicinity of Key Biscayne residence on March 20, 1961, and subject was observed in the front yard of the residence on the afternoon of March 23, 1961, at which time he appeared to be supervising a workman who was installing solid panel wooden gates on both entrances to the circular drive of the house. These gates, when closed, together with the stone wall which surrounds the residence, conceal the yard from observation.

On the night of March 23, 1961, SA
observed a white Cadillac bearing 1961 Illinois
license., parked at Subject's Key Biscayne residence.
On March 25, 1961, subject and an unidentified male were
seen driving in subject's 1961 Ford Station Wagon in the
vicinity of the residence and both subject and BETTY JEAN
NEIBERT were observed at the residence. On the afternoon
and evening of March 26, 1961, a white Cadillac, believed
to be a 1960 model, bearing 1961 Illinois license
was parked in front of the residence.

The 1959 Ford driven by Miami, has been seen frequently at the residence.

TURRAY L. HUMPHREYS ANTI-RACKETERRING

A highly confidential source which is not available for testimony has provided information concerning a discussion between Chicago hoodlum Murray L. Humphreys and an associate, which took place April 25, 1961.

Humphreys discussed with the fact that he, Humphreys, anticipates that a Federal Grand Jury will convene in Chicago in the near future to investigate top hoodlum activities. Humphreys stated that could expect to be called before such a grand jury, and he instructed in anticipation of this to destroy all records of any business which he has conducted with Chicago top hoodluns. He pointed out this should be done so that in the event efforts were made by the Government to subpoena such records for consideration by the grand jury, they would not be available.

Humphreys also counseled at some length as should testify if he is subpoensed to the manner in which to appear before a grand jury. He instructed to answer all questions put to him in any forthcoming grand jury action on the grounds of possible incrimination.

This is for your information in connection with our continuing intensive inquiries to develop possible violations relative to the illegal activities of Chicago hoodluns.

Our highly confidential source which reports on hoodlum activities in Chicago advises that Murray Humphreys anticipates Federal Grand Jury action against Chicago hoodlums.

Recently informed sources have reported that Humphreys is acutely aware of the intensified investigation of him and his hoodlum associates. He has reacted to FBI pressure in several ways, including absenting himself from the Chicago area and spending most of his time in Florida and also in taking elaborate precautions to nullify what he considers to be continuous surveillances of him and other hoodlums.

Humphreys, who is the "old pro" of the underworld in Chicago had a discussion on April 26. 1961, with an associate, and is "hand in glove" with most of the top figures in the hoodlum hierarchy in that city. Humphreys said he anticipated that a Federal Grand Jury will convene in Chicago in the near future to investigate top hoodlum activities. He said could expect to be called before that grand jury. Humphreys, in view of this, instructed to destroy all records of any business which he has conducted in the past with top hoodlums so that should the Government attempt to obtain these records for grand jury action, they will not be available.

Humphreys, who is the legal expert who masterminds (FX7)(C) defense tactics for his hoodlum associates, instructed at some length as to the manner in which he should testify in the eventuality he is called before a Federal Grand Jury. He counseled to refuse to answer on the grounds of possible incrimination all questions which might be put to him at a grand jury hearing.

As a side light, was present during the above exchanges between Humphreys and but took no part in the conversations.

HUMPHREYS IN HIS TWIRLING, SIDE AND BACKWARD GLANCING MANNER OF
